By virtue of a certain deed of trust, dated August 15, 1911, recorded in the clerk's office, Chancery Court of Richmond, in D. B. 213-A, page 253, default having been made in the payment of a portion of the debt secured thereby, and having been required by the beneficiary so to do, I will, on

WEDNESDAY, DECEMBER 6, 1912. on the premises, proceed to sell at public auction the property conveyed therein, viz: All that certain pece-parcel or lot of land, with the improve-ments thereon. lying and being in the city of Richmond, Va., and described as follows: Commencing at the northeast follows: Commencing at the northeast corner of Broad and Second Streets, tence running eastwardly and fronting on the north line of Broad Street 47 feet 3 inches, thence back northwardly between nearly parallel linesone of which is the eastern line of Second Street—137 feet 5 inches, having a width in the rear of 47 feet 54 inches.

lar thoroughfare, and having also a good frontage on Second Street, which is rapidly developing into a business street, presents an unusual opportunity to the seeker of high class investments in a rapidly enhancing locality. The property is all occupied, has always rented readily, and pays well for high class property. The north side of Broad Street, especially in this locality, has been greatly improved recently by the erection of handsome and commodious buildings. Second Street property is also in great demand, and is therefore bringing good prices.
